**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic because they are local and I want to support a local provider.

Broadband is critical in my home and business.

I oppose price hike that will increase the cost of the internet and telephone services.

I support broadband competition in a country that prides itself on healthy competition in the business place.

So should you.

Regards
